JT Shower Tray Collection

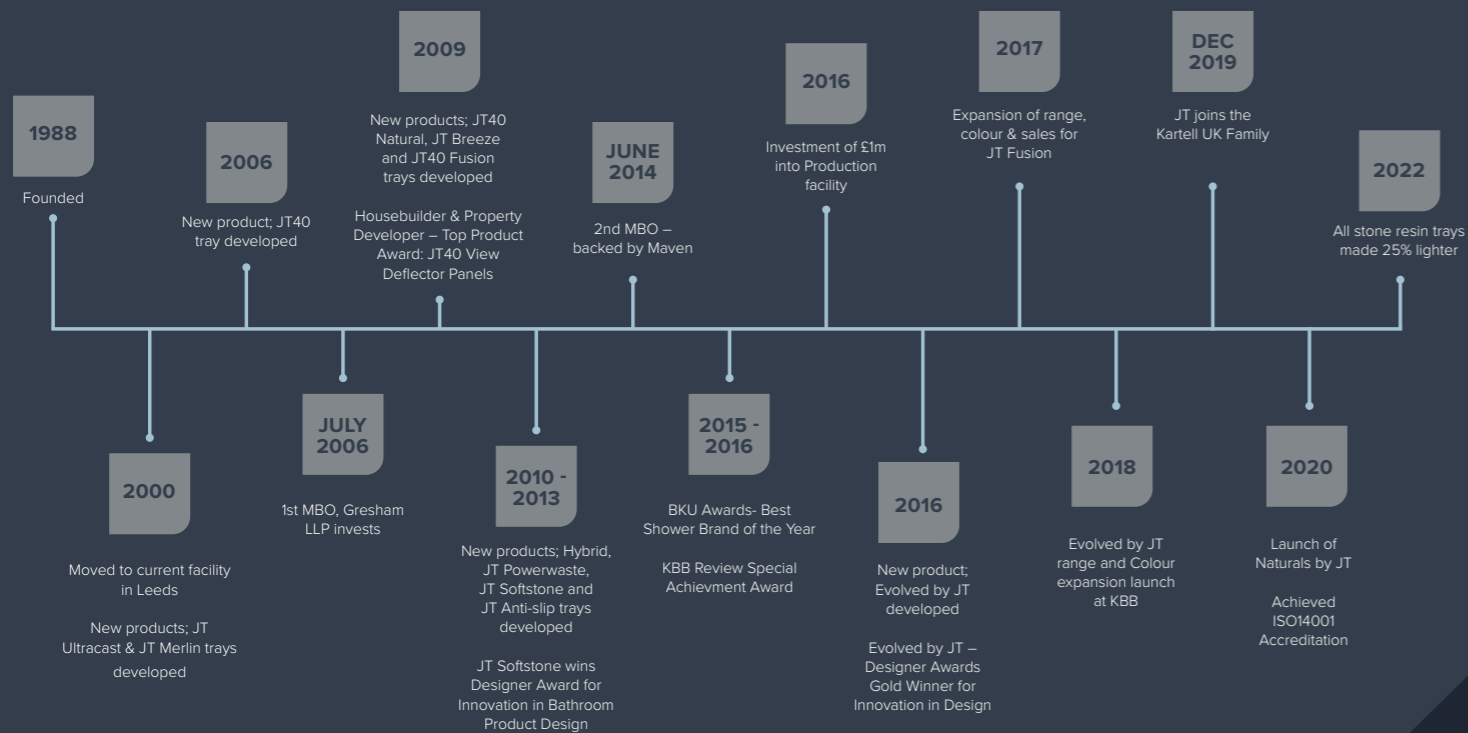

www.just-trays.com

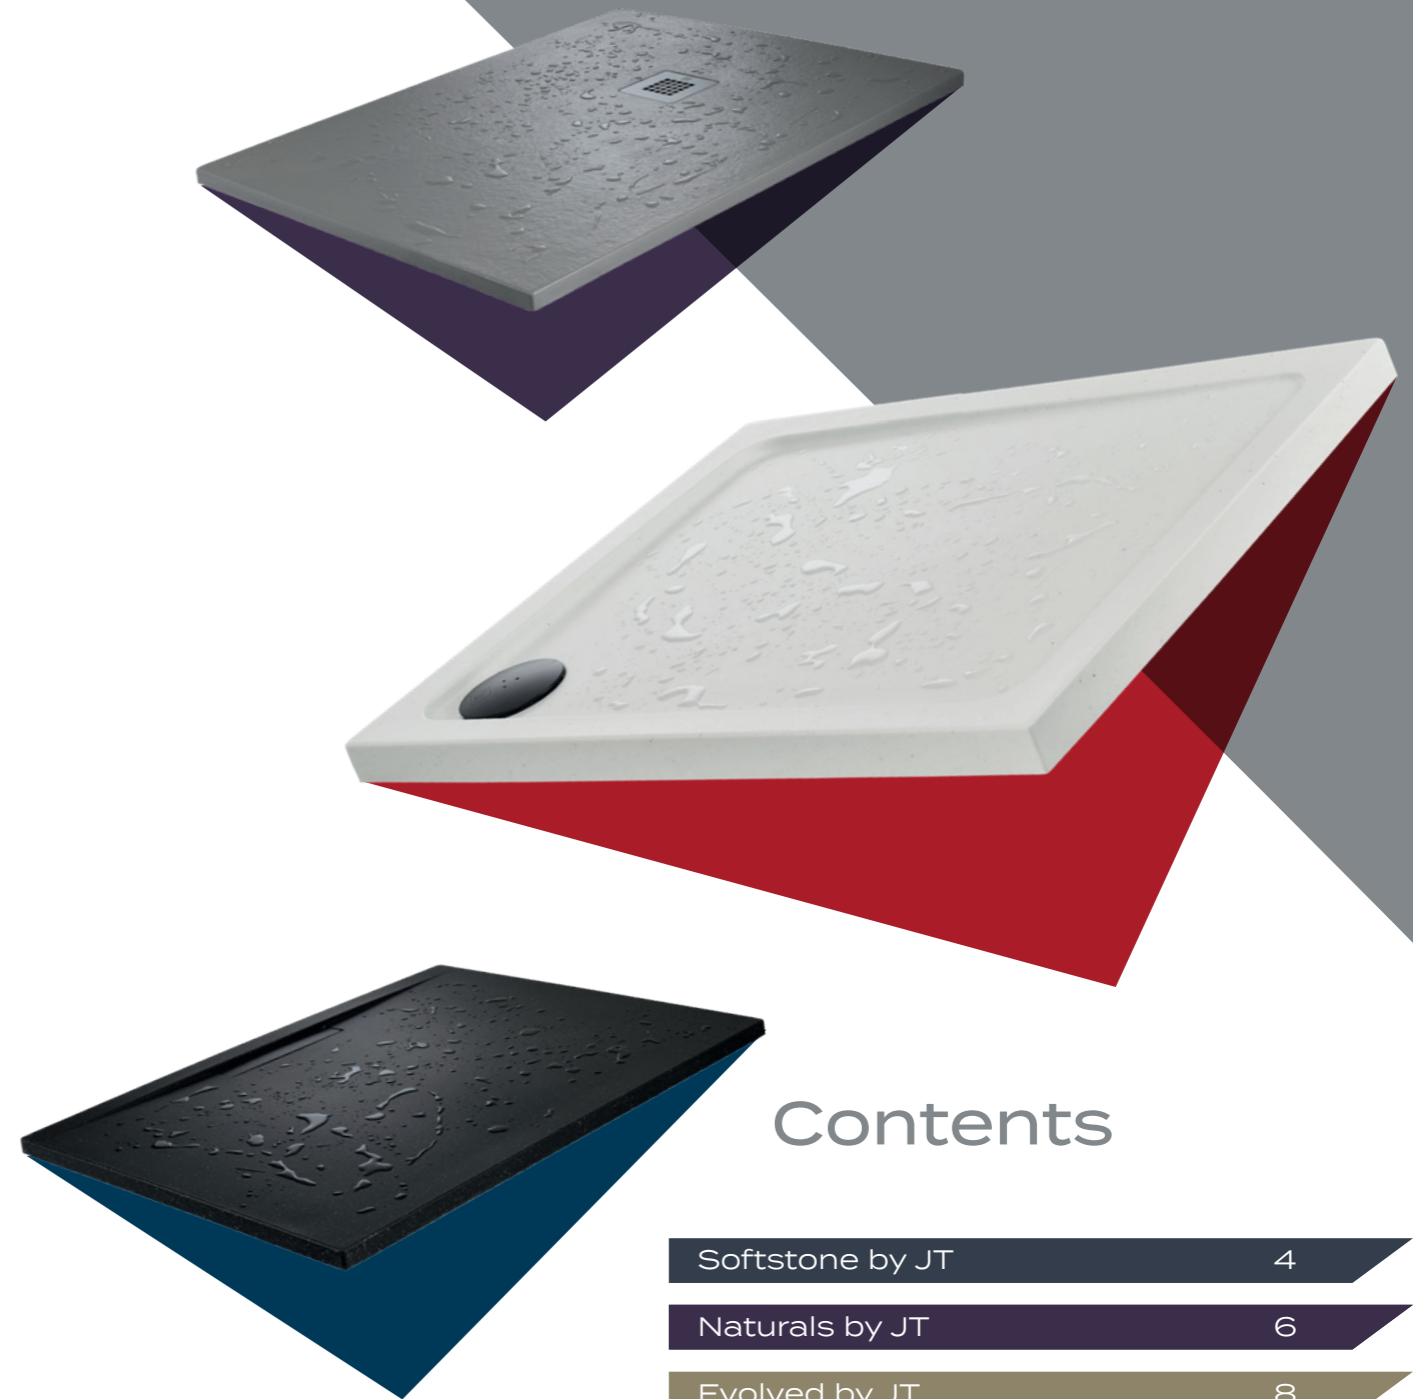

Over 30 years of design, quality & innovation

For three decades, we have proudly flown the flag for quality British manufacturing from our state-of-the-art manufacturing plant in Leeds. Our design, innovation and award-winning quality today sees JT deliver over a third of all shower tray sales in the UK and export internationally. Thank you for choosing JT and supporting Great British Manufacturing.

Aqua cushion flooring

Aqua cushion flooring

A tray like nothing else, the Softstone by JT aqua cushion floor surprises the senses with a soft touch and features a unique ergonomic, non-slip surface.

This unique slate-effect product is available in three colours: black, white and cream, and in a range of set sizes, plus a bespoke service option to create your perfect showering area.

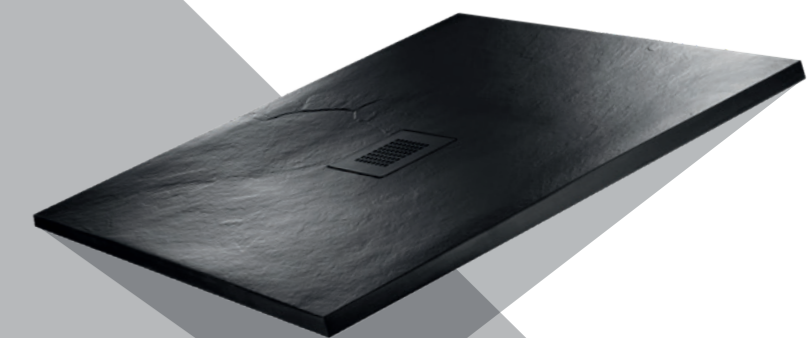

- 13 set sizes
- Non-slip ergonomic surface (Class B to DIN51097) and anti-bacterial
- Recyclable
- Award winning
- Installation kit included and installation video available at just-trays.com
- Colour matched grill (available at an additional cost)
- 25 year guarantee
- Bespoke solution available

Tailored just for you

Softstone by JT Bespoke Service

Have an unusual space? Worry not - our team can create your perfect showering area with our Bespoke Service. Our easy to use order form, personal CAD diagram service and technical guidance makes almost every possibility achievable.

Shaped from our landscape

naturals

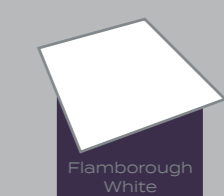

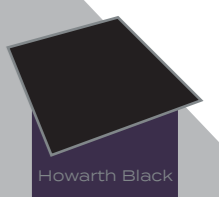

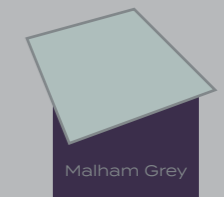

BY JT

Shaped from our landscape

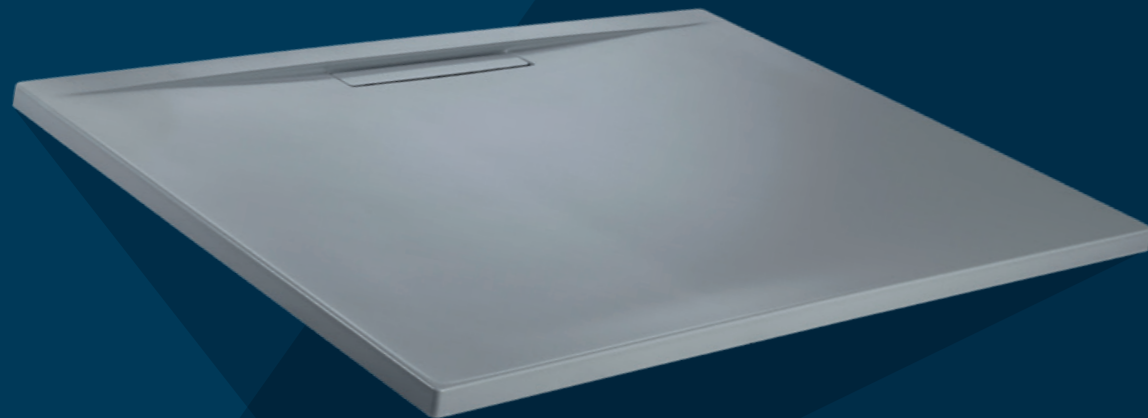

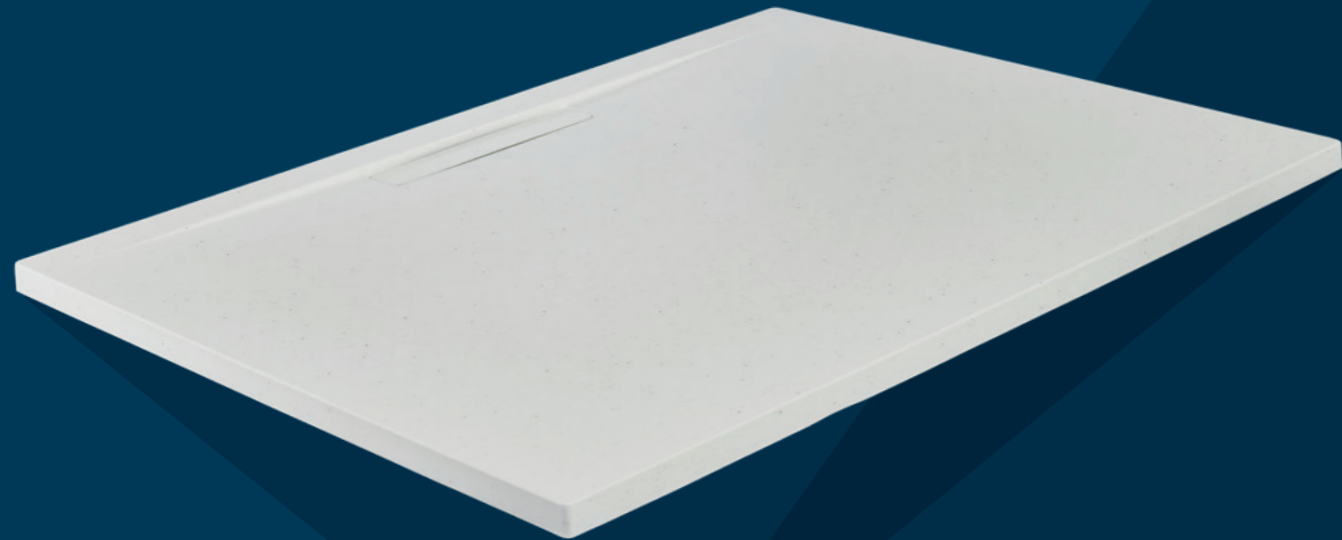

Inspired by the iconic Yorkshire landscape Naturals by JT is the last addition to the JT range. The new stone effect trays feature four contemporary colour options: Flamborough White, Malham Grey, Runswick Cream and Howarth Black with option colour matched waste covers.

From 2022, we have committed to making all of our stone resin shower trays 25% lighter in weight, promising less stress on both the environment and our customers.

- 33 size options available in square, rectangle and quadrant
- Available in four stunning colours: Flamborough White, Malham Grey, Runswick Cream and Howarth Black
- Installs flat-to-floor
- JT 25 year tray guarantee
- Class C Anti Slip integrated into the tray

evolved
BY JT

The shower tray. Evolved.

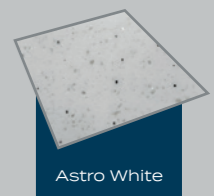

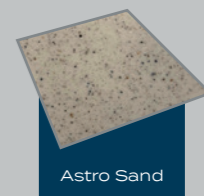

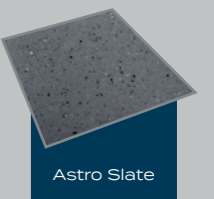

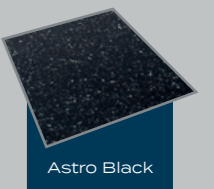

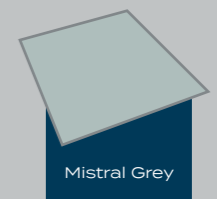

evolved
BY JT

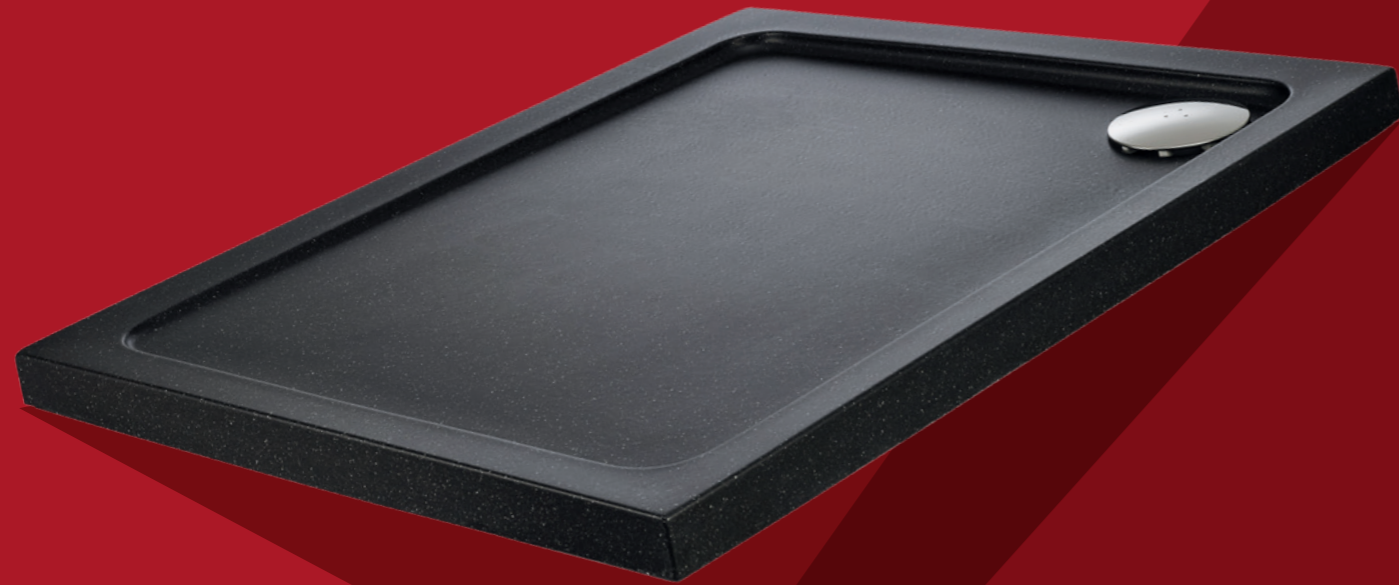

We are proud to bring you the next stage of shower tray evolution, following significant investment in design and production technology.

The next generation product features a leading-edge waste solution, exclusively powered by Wirquin, the leading global waste manufacturer, in partnership with JT.

From 2022, we have committed to making all of our stone resin shower trays 25% lighter in weight, promising less stress on both the environment and our customers.

- Award winning uniquely designed 25mm shower tray
- Available in square, rectangle and quadrant
- ABS capped acrylic stone resin, double skinned for extra strength
- Available in five stunning colours plus gloss and matt white
- Installs flat-to-floor or on legs with an Evolved™ by JT Riser Kit option
- Easy fit legs for quick installation
- Wirquin manufactured waste with a five year guarantee
- JT 25 year guarantee
- JTAnti-Slip™ option available

Seamless style

fusion
BY JT

The original low-level tray is a best seller with installers and consumers alike. The Fusion by JT is manufactured from ABS capped acrylic stone resin and double skinned for extra strength. Installation is easy whether raising on legs with a JT Riser Kit or fitting flat-to-the floor for the ultimate sleek look.

The range is available in 48 sizes and 5 colours, in addition to gloss and matt white, 27 of these come with the option of integrated tiling upstands to create a watertight concealed waste to present a modern and minimalist look.

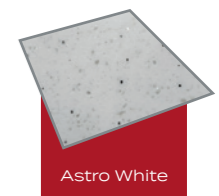

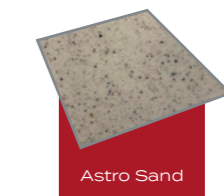

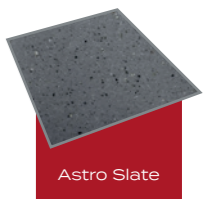

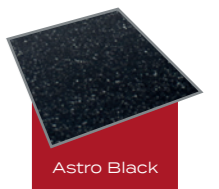

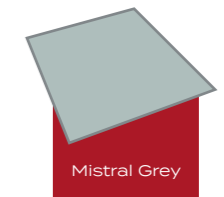

From 2022, we have committed to making all of our stone resin shower trays 25% lighter in weight, promising less stress on both the environment and our customers.

- 48 size options available in square, rectangle, quadrant and offset quadrant
- Available in five stunning colours plus gloss and matt white
- Installs flat to floor or on legs with a Fusion by JT riser kit
- Easy fit legs for quicker installation
- Includes 90mm Waste™ by JT
- Available with 13mm tiling upstands
- 25 year guarantee
- Anti-Slip™ by JT available

A new dimension

Matt black, Chrome and Concealed wastes available

merlin

BY JT

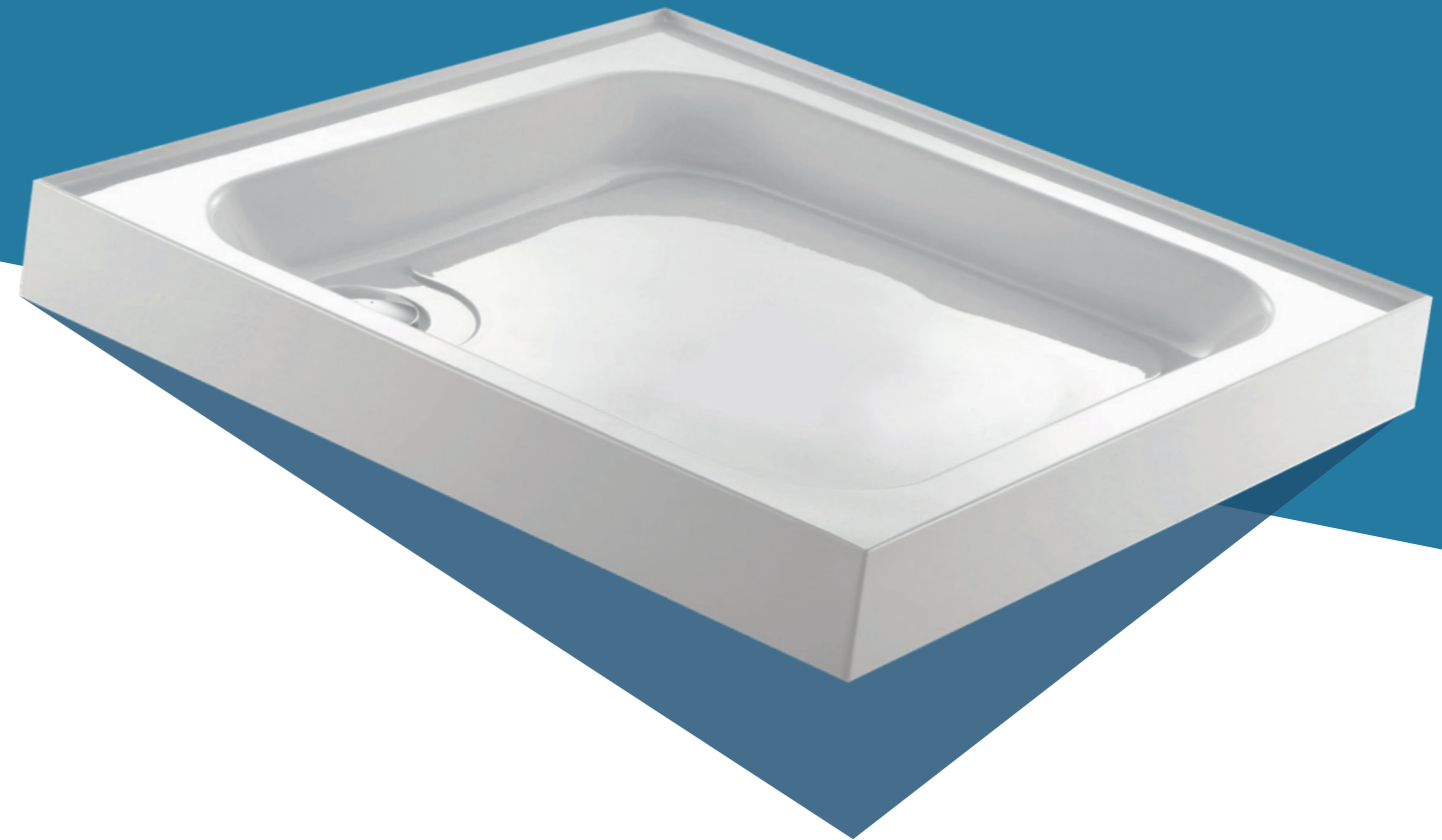

It's a kind of magic

The JTMerlin™ is the original easy plumb, easy access shower tray. An installers dream, the product is made from ABS capped acrylic stone resin and features adjustable feet hidden behind removable panels.

JTMerlin™ is ideal for awkward, new installations and existing tray replacements. The integrated upstand option is simply recessed into the wall allowing tiles to overlap for a watertight installation.

From 2022, we have committed to making all of our stone resin shower trays 25% lighter in weight, promising less stress on both the environment and our customers.

- Available in square, rectangle, quadrant and offset quadrant
- 39 size options
- Integrated 13mm tiling upstand option available
- Supplied with leg set and easy-to-fit loose panels with unique fastening system
- 50mm waste outlet
- 25 year guarantee
- JTAnti-Slip™ available

ultracast

BY JT

Simple elegance

A simple yet graceful ABS capped acrylic stone resin design, the JTUltracast™ is available as a flat top or tiling upstand tray.

The integrated upstand option is simply recessed into the wall allowing tiles to overlap for a watertight installation.

Ideal for awkward and new installations, as well as existing shower tray replacements.

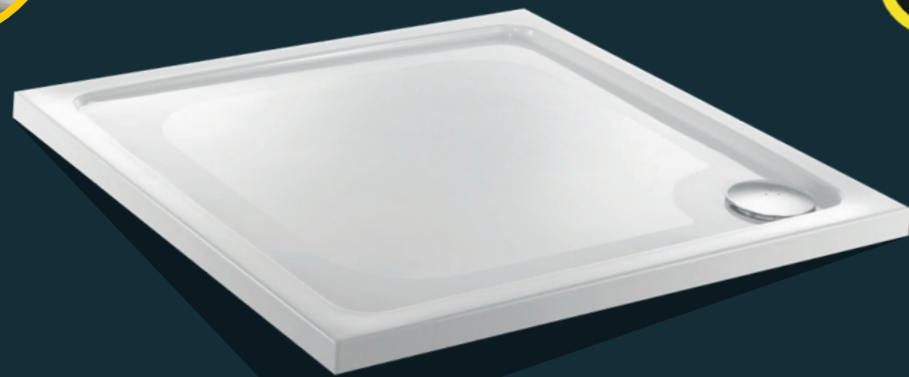

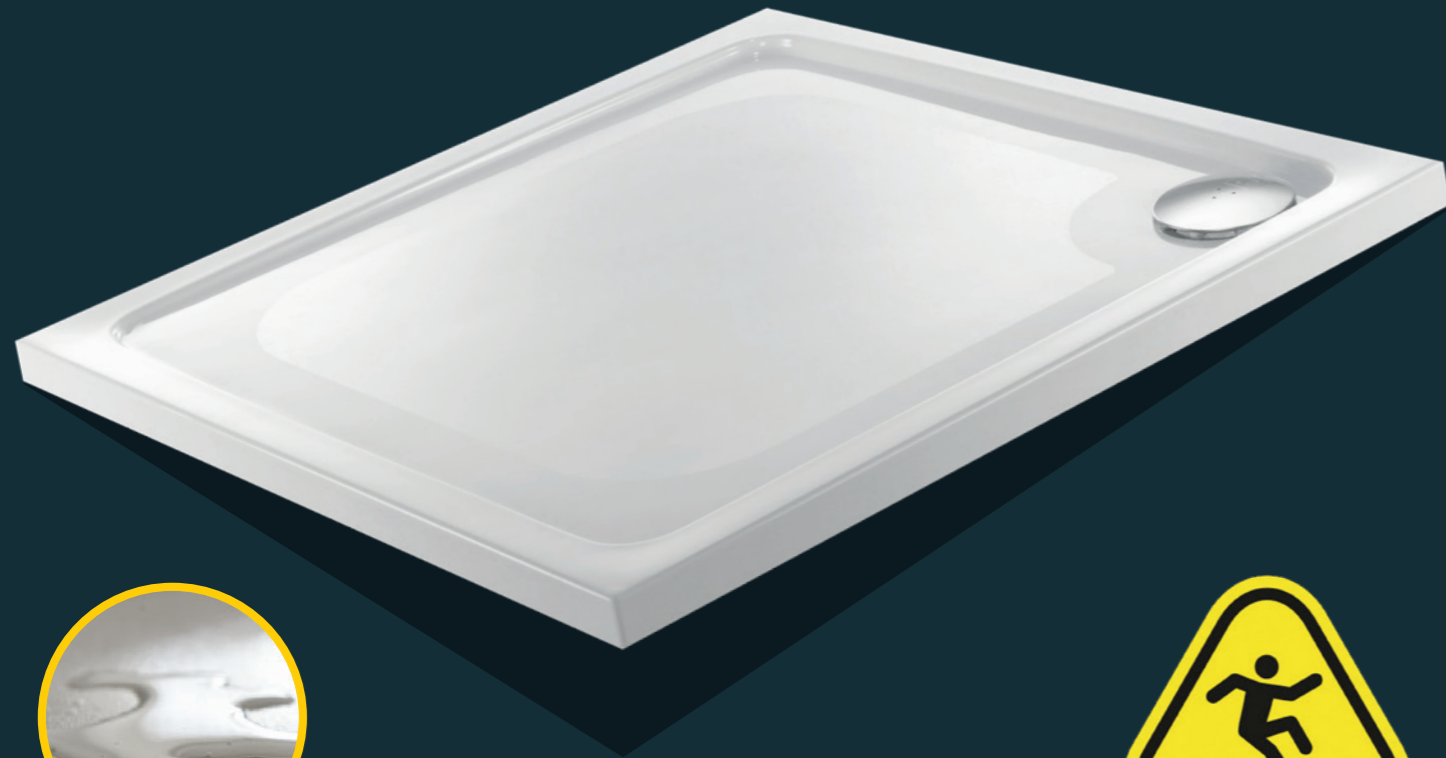

From 2022, we have committed to making all of our stone resin shower trays 25% lighter in weight, promising less stress on both the environment and our customers.

- Available in square, rectangle, quadrant and offset quadrant
- 39 size options
- Integrated 13mm tiling upstand option available
- 50mm waste outlet
- 25 year guarantee
- JTAnti-Slip™ available

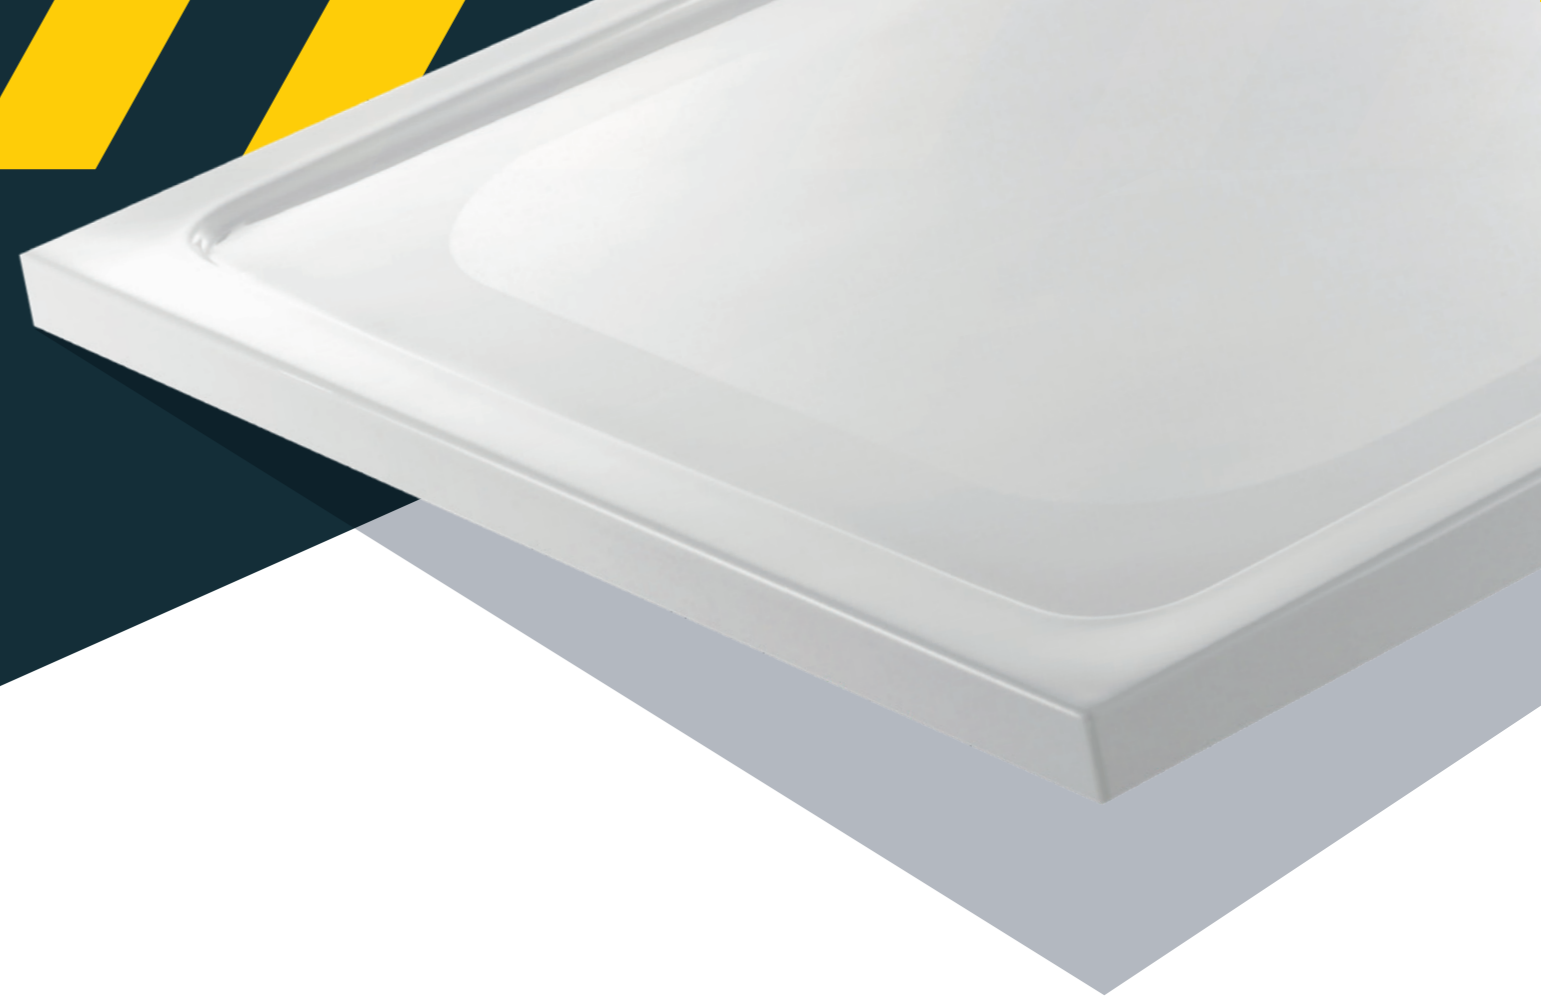

anti-slip

BY JT

take the safe option

anti-slip

BY JT

take the safe option

A colourless application, exclusively available to JT, which can be ordered factory applied or in a kit and applied to any existing shower tray or bath to create a non-slip surface whilst retaining a premium look. Class C, independently tested solution.

- Factory applied treatment to aid the prevention of slips and falls
- Class C slip rating DIN 51097:1992-11 - the highest level of approval for domestic use
- Also available in kit form for retro fitting to showers and baths (2 year guarantee)
- Complete with 3 year guarantee

Concealed Waste

A new Dimension

Concealed white waste cover designed to give the seamless look to your shower tray. Fits in the standard 90mm waste.

flow by JT

Complex plumbing simplified

38 litres of water a minute can be carried away due to the innovative design of this 50mm waste. The **flow by JT** conforms to BS EN 274-1:2002 and features an easily removable dome for cleaning.

Matt Black Waste

A new Dimension

A black 90mm matt waste cover designed to complement the trend of black trims on shower enclosures and black brassware in the bathroom.

JT90mm waste & concealed waste

Rapid water dispersal

A 90mm rapid waste outlet that allows 48 litres of water to be carried away each minute. Its sleek lines perfectly complement the **Fusion by JT** range. The product conforms to BS EN 274-1:2002 and features an easily removable cap.

JT vertical 90mm waste

Intelligent water removal

A 90mm vertical waste designed to help assist the water dispersal where the fall for the waste pipe cannot be achieved. Conforms to BS EN 274-1:2002, the product carries away 48 litres of water a minute. Also features an easily removable dome for cleaning.

Evolved Wirquin Waste

Designed for Evolved

At 40mm deep, the waste will remove 27L/min and is the shallowest on the market. Total depth of tray and waste is only 72mm and easy top access to simplify cleaning. Features unique silicone membrane to stop any pipe odours. Guaranteed for five years. The Evolved Wirquin Waste is for the **Evolved by JT** range only.

anti-slip by JT

The safe option

Exclusively available to JT, this colourless, independently tested and approved to Class C application, can be applied to any existing shower tray or bath to create a non-slip surface, whilst retaining a premium look. Covers 1.2m².

flexi-hose by JT

Simple, quick and straight forward

This truly flexible solution is designed to make installation easier – music to the ears of your plumber! The Flexi-Hose eliminates the need for complex plumbing, untidy pipe work and elbow joints.

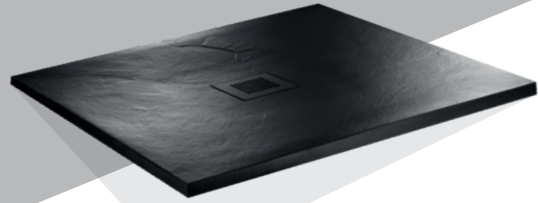

flexi-fix by JT

Flexible water-proofing solutions

The patented JTFlexi-Fix™ is the perfect solution should a flat top tray be the only option. Complete with all the added benefits of a tiling upstand, the easy-application tape is self-adhesive, wraps around corners in one-piece and creates a watertight seal. Available in 3.2 metre lengths.
